

STRIPLOIN 0x0

The striploin is a customer favourite for its great taste and tenderness. It comes from the loin which is where the most tender cuts are located. The most tender cuts are located in the loin primal. Cuts from the loin require little work to taste great. Indeed, steak lovers consider it almost a sacrilege to marinate them, or to cook them beyond medium rare.

ALIASES: Entrecote; New York; Kansas City Steak; Club Steak

Carmen Creek bison are raised by highly skilled ranchers carefully selected for their commitment to human animal care and environmental stewardship.

PREPARATION:

A variety of portioning options available: end to end steaks; center cut steaks; tissue steaks.

BEST COOKING METHODS: Grilling, roasting.

MENU APPLICATIONS:

Striploin steaks are a favourite for the broiler or the grill. Roasting is another way to prepare the striploins and is often used when presenting a high end buffet or reception.
